Department of the Interior,
Commission to the Five Civilized Tribes,
Stilwell, I.T., July 27, 1900.

In the matter of the application of Laura V. Cowart et al.

No. 555.

William L. Cowart, being duly sworn and examined by Commissioner Breckenridge, testified as follows:

Q What is your name? A William L. Cowart.

Q I understand you wish to supplement your former testimony in the application for the enrollment of your wife, Laura V. Cowart; is that so? A Yes, sir.

Q It appears that when you applied the other day you claimed your wife to have been admitted to citizenship by the act of the Cherokee authorities, and you propose to supply a certified copy of the document admitting her to citizenship. You present now a paper from the office of the Executive Secretary, but it relates to the admission, as it appears, of your wife's mother. I understand you to claim, however, that your wife can be identified on the rolls of 1894 and 1880? A Yes, sir.

(The name of Laura V. Cowart checked out on 1894 roll.)

Q Was her name on 1880 roll? A Yes, sir, Laura V. Cloud.

(On 1880 roll, page 359, No. 391, L. J. Cloud, Flint district, as 18 or 18 years old.)

Q How old do you say your wife is now? A 37.

Q Do you think she is enrolled in 1880 as 18 instead of 10? A Yes, sir.

Q What relationship is C. C. Cloud to your wife? A A brother.

Q Do you know of a L. J. Cloud, a sister of C. C. Cloud? A No, sir.

Q You think that L. J. Cloud is meant for L. V., do you? A Yes, sir.

Mr. W. W. Hastings, representative of the Cherokee Nation: She is a full sister of C. C. Cloud? A It has always been my understanding that she was.

Q You don't know anything to the contrary? A No, sir.

Q You have no suspicion that she is not? A No, sir, I have no suspicion.

John H. Dannenberg, being sworn and examined by Commissioner Breckenridge, testified as follows:

Q What is your age? A 58.

Q What is your post office? A Stilwell.

Q How long have you lived in this section of country? A All my life.

Q Do you know this applicant here, Mr. Cowart, W. L. Cowart? A Yes, sir.

Q Do you know his wife, Laura? A Yes, sir.

Q How long have you known his wife in this country? A I have known them ever since they have been here, quite a number of years.

Q As much as 20 years? A Yes, sir, longer than that.

Q Do you know that she was here in 1880? A Yes, sir.

Q Do you know her to be a sister of C. C. Cloud? A Yes, sir.

Q What was she called in 1880? A I am not positive about, I believe they were married a year or two after they, in 1881 or 1882 or 1883; I am pretty certain she was then.

Q Did you know all the family? A Yes, sir.

Q Did you know anybody of that family named L. J. Cloud?

Laura V. Cowart - 2.

A No, sir.

Q There is enrolled in 1880 with C. C. Cloud and that family a L. J. Cloud? A I think it ought to have been L. V.

Q There is no L. J.? A No, sir, there is no L. J. that I know of, and I have taken the census twice that I know of.

Q They are living together now as man and wife, are they? A Yes, sir.

Mr Hastings: Was there any question as to their citizenship since they have been married? A No, sir, not that I have ever heard of.

Q You have lived right by them? A Yes, sir, right by them.

Commissioner Breckenridge: Mr. Cowart, your wife is duly identified on the roll of 1894 and 1898, and she is identified with satisfactory certainty on the roll of 1880 and also by personal testimony, and she will be enrolled as a Cherokee by blood.

Bruce C. Jones, being duly sworn, says that as stenographer to the Commission to the Five Civilized Tribes he reported the testimony of the above named witnesses, and that the foregoing is a full, true and correct translation of his stenographic notes.

Department of the Interior,
Commission to the Five Civilized Tribes,
Stillwell, I.T., July 24, 1900.

On the matter of the application of Samuel L. Hughes for the enrollment of himself by intermarriage, and his wife and children as Cherokees by blood; being duly sworn and examined by Commissioner Breckenridge, he testified as follows:

Q What is your name? A Samuel L. Hughes.
Q What is your age? A 52.
Q What is your post office? A Stillwell.
Q Your district? A Flint.
Q How long have you lived in this district? A I have lived here about 12 years, except 8 or 9 months I was in Cooweescoowee district.
Q Where did you live before that 11 years? A, I lived in Georgia.
Q Were you admitted to citizenship by act of the Cherokee authorities? A Yes, sir.

Q Let me see your certificate.
A (Exhibits paper.)
Q Mr. Hughes, you hand here what seems to be a duly authenticated certificate of admission of certain people to citizenship in the Cherokee Nation on the 22nd day of September, 1888, but your name does not appear on the certificate. A Well, I wasn't admitted on that, I wasn't a citizen at that time.

Q What good does this paper do you? A This is for my family.
Q Then you are not applying for yourself? A Yes, sir, I became a citizen of the Cherokee Nation after that was granted.

Q I asked you about your getting to be a citizen? A I think this is the one, I gave you the wrong paper that time.

Q Now Mr. Hughes, you present here a duly certified license, under seal, for you to be married to Amanda Hughes, dated January 14, 1891, and a contract duly endorsed on the back of the license shows that you and she were duly united by contract before witnesses on the 18th day of January, 1891. Now the question is as to the citizenship at that time of Amanda Hughes. You present here a certificate of admission of one Gracie A. Hughes to citizenship, dated September 22, 1888. This is duly signed by J. T. Adair, Chairman of the Committee on Citizenship, and attested by Cornell Rogers, Clerk of the Committee on Citizenship, and approved and endorsed by J. B. May, Principal Chief of the Cherokee Nation, and under the great seal of the Nation. It is accepted as satisfactory evidence of the admission of Gracie A. Hughes to citizenship at the time stated. It involves the claims of other persons besides Gracie A. Hughes, and it is herewith returned to you. Your evidence of the marriage is kept, and will be filed with your papers. Now in your admission to citizenship, the woman you claim to be your wife appears as Gracie A. Hughes, how do you explain that discrepancy?

A Well, this Mr. Littlejohn, the Clerk of the Court that made that license was perfectly well acquainted with me and my family, and I really don't know that I told him what her name was, and we all call her Minda, and he was familiar and I don't know that he asked me; this Amanda Hughes here is the Gracie A. Hughes on the roll.

Q Does anybody around here know that this Gracie A. Hughes and Amanda Hughes are one and the same person? A Yes, sir.

Samuel H. Rogers, being duly sworn and examined by Commissioner Breckenridge, testified as follows:

Q What is your name? A Samuel H. Rogers.
Q What is your age? A 40 years old.
Q What is your post office? A Stillwell.
Q Your district? A Flint district.
Q How long have you lived in Flint district? A Ever since last November.

Samuel L. Hughes - 2.

Q Where did you live before that? A Right here in Going Snake.
Q How long did you live in Going Snake? A I lived there 5 years.
Q Where did you live before that? A I lived in Georgia.
Q Mr. Rogers, are you acquainted with the application here, Mr. Samuel L. Hughes, and his wife Amanda? A Yes, sir.
Q Did you know them back in Georgia? A Yes, sir.
Q What is her full name? A Amanda. Well, sir, I don't know that I can exactly tell you, I believe they call her Gracie Amanda.
Q Do you know whether the Gracie Amanda Hughes admitted to citizenship in 1888 in this certificate of admission was at that time the wife under United States law of this application, Samuel L. Hughes? A Yes, sir.
Q Do you know anything about their being married under Cherokee law along in 1888? A No, sir, not to my certain knowledge I don't, I have been told so.
Q Do you know that Gracie A. Hughes who was his wife back in Georgia is the same as the Amanda Hughes that he is married to now? A Yes, sir.
Q They are one and the same person? A Yes, sir.
Q You know that of your own personal knowledge? A Yes, sir, I have known the woman ever since I was 10 years old.
(On 1896 roll, page 671, No. 888, Gracie A. Hughes, Flint district.. Samuel L. Hughes on 1896 roll, page 715, No. 88, Flint district. Gracie A. Hughes on 1894 roll, page 647, No. 884, Flint district.)

Samuel L. Hughes, recalled, testified:

Q Now Mr. Hughes, you say you want to apply for some children too?
A Yes, sir.
Q What are the names of these children? A I want to see if I can enroll my son who is living with me and always made it his home, but he is 29 years old.
A He had better apply for himself; give me the minor children unmarried and living with you. A Louis C., 20 years old.
Q Is he on this certificate of admission? A Yes, sir.
(On 1896 roll, page 671, No. 888, Louis C. Hughes, Flint dist.)
Q Your next child now? A George H., age 16.
(On 1896 roll, page 681, No. 871, George H. Hughes, Flint dist.)
Q Your next child? A Jennie L., she is 13.
(On 1896 roll, page 671, No. 873, Jennie L. Hughes, Flint district.)
Q Have you got some more? A James Henry, 10 years old.
(On 1896 roll, page 671, No. 875, James H. Hughes, Flint dist.)

Mr. Hughes, your wife's admission to citizenship by action of Council as stated in the evidence the 22nd of September, 1888, is duly established. Your marriage to her is satisfactorily established on January 18, 1891. Your children are all duly identified on the certificate of admission under which your wife claims except James Henry, who was born since your wife was admitted to citizenship, and he is duly identified on the roll of 1896. I understand you to say that all these children are living with you now and with your wife, and that you and your wife are living together, and your wife and the children will be enrolled as Cherokees by blood, and you will be enrolled as a Cherokee by intermarriage.

Bruce C. Jones, being duly sworn, says that, as stenographer to the Commission to the Five Civilized Tribes he reported the testimony of the above named witnesses, and that the foregoing is a full, true and correct translation of his stenographic notes.

SUPPLEMENTAL TESTIMONY AND PROCEEDINGS in the matter of the application for the enrollment of SAMUEL L. HUGHES as a citizen by intermarriage of the Cherokee Nation.

SAMUEL L. HUGHES, being first duly sworn, and being examined, testified as follows:

- BY COMMISSION: What is your name? A Samuel L. Hughes.
- Q How old are you? A Fifty-four, will be, the 11th day of this month.
- Q What is your post office address? A Stilwell, Indian Territory.
- Q You are a white man? A Yes sir.
- Q Have you heretofore made application to this Commission for enrollment as a citizen by intermarriage of the Cherokee Nation?
- A Yes sir.
- Q What is the name of your wife? A Gracie Armindie.
- Q Is she living? A Yes sir.
- Q Is she a Cherokee by blood? A Yes sir.
- Q Do you claim your right to enrollment by reason of your marriage to her? A Yes sir.
- Q When were you and she married? A I could not tell the year to save my life. I turned in my license to the Commission when I enrolled, and they kept it. No, they did return it to me a month or two ago, but I never fetched them. It was, I believe, about 1891 or 1892.
- Q Were you married to her at that time under Cherokee law?
- A Yes sir.
- Q Have you and she lived together continuously since that time?
- A Yes sir.
- Q Were you living together on the 1st day of September, 1902?
- A Yes sir.
- Q Never been separated at all? A No sir.
- Q Were you ever married before you married her? A No sir.
- Q Was she ever married before she married you? A No sir.
- Q You are her first husband and she is your first wife? A Yes sir.
- Q Have you resided in the Cherokee Nation continuously since you and she were married? A No sir, never came here until about twenty years after we were married first. I married her in the East, and we came to this country in 1889, I believe. We have been here ever since then. I think it was in 1891 or 1892 that we remarried according to Cherokee law here in the Nation. We have been here ever since then.
- Q Have you and your present wife both resided in the Cherokee Nation continuously since you were admitted to citizenship in 1892?
- A Yes sir.
- Q At the time application was made for your wife's enrollment, was satisfactory proof made of her citizenship to citizenship in the Cherokee Nation? A I suppose so, she got a certificate from the Executive Department here, and we gave it to the Dawes Commission when we enrolled.
- Q You made application for the enrollment of how many children?
- A I think there was about four at first, and myself and wife.
- Q Are all those children living now? A Yes sir.

This testimony will be filed with and made a part of the record in the matter of the application for the enrollment of Samuel L. Hughes as a citizen by intermarriage of the Cherokee Nation, Cherokee straight card field No. 557.

SPECIAL.

Commissioner to the Five Civilized Tribes,
Muskegee, Indian Territory.

Sir:

On February 5, 1907 (Land 7538), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al. vs. the United States (203 U. S., 75), and state that in accordance with said decision you have recommended that the names of 1,143 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 26, 1907.

You now transmit the names of 193 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee laws prior to November 1, 1875, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 193 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is enclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

The Indian Office has been requested to take similar action upon the rolls retained by it, and you are authorized to cancel said names from the rolls in your possession.

-4-

Your attention is called to the fact that authority was granted on January 26, 1907, for the cancellation of the name of Thomas D. Chatham, opposite No. 22254, and of Adeline Ratlinguard, opposite No. 21300, which you now again recommend for cancellation. Apparent typographical errors in the roll numbers have been corrected in three instances.

You are instructed to prepare and transmit for departmental action new schedules, with a new series of numbers, containing the names of those persons who may be found to be entitled to enrollment.

Respectfully,

Thos., Ryan,

First Assistant Secretary.

The Commissioner says that all these persons are differently classified from those embraced in the decisions previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1875, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest or share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1836.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be stricken from the approved partial roll of Cherokee citizens retained in the Department and in this

Office, and that he be authorized to take similar action on the copies of the roll in the possession of his office.

In the opinion of the Office, this action will avoid confusion in the future, and it is recommended that this Office and the Commissioner be authorized to take the action suggested by him.

Very respectfully,

C. F. Larrabee,

Acting Commissioner.

The Department's instructions of June 1, 1905 (I.T.D. 6240-1905), and October 4, 1905 (I.T.D. 12225-1905), as to the proceedings to be taken with reference to these persons have been complied with. Notice under date of March 1, 1906, of the information received as to the date of the death of the above named persons, was given by publication for four consecutive issues, the first issue being March 3, 1906, in "The Cherokee Advocate," a weekly newspaper of general circulation published at Tahlequah, Indian Territory. Attention was called to Section 31 of the Act of Congress approved July 1, 1902 (32 Stat., 712), and notice given to the heirs of the persons named, the administrators of their estates, or any other person having any interest in the estates of the decedents, that

the Commissioner would, at the expiration of sixty days from the date of the notice, recommend to the Secretary of the Interior the cancellation of the enrollment of said persons as citizens of the Cherokee Nation, unless conclusive evidence was presented to the effect that said persons were living on September 1, 1902. Each of the above named persons was shown to have been residing at the time of his death in the Reporting District in which said paper is published, and notice of the Commissioner's proposed action was not, therefore, published in any other paper.

In addition to this notice a letter was on May 1, 1903, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

As information having been received that any one of the above named persons was living September 1, 1902, it is respectfully recommended that their names be stricken from the

FOR ENROLLMENT AS

CHEROKEE CITIZENS

A Original Testimony July 2
Memo. of application

Department of the Interior,
Commission to the Five Civilized Tribes,
Stillwell, I.T., July 24, 1900.

In the matter of the application of Leroy S. Hughes for the enrollment of himself and wife as Cherokees by blood; being duly sworn and examined by Commissioner Breckenridge, he testified as follows:

- Q What is your name? A Leroy S. Hughes.
Q How old are you? A 27.
Q What is your post office? A Stillwell.
Q Your district? A Flint.
Q How long have you lived in Flint district? A I have been here about 11 years.
Q For whom do you make application for enrollment? A For myself and wife.
Q Is that all? A Yes, sir.
Q When and how did you become a citizen of the Cherokee Nation? By action of the authorities of the Nation? A Yes, sir.
Q You had me here a certification of admission to Cherokee citizenship, dated September 22, 1888, signed by J. T. Adair, Chairman of the Commission on Citizenship, attested by Connell Rogers, Chief of the Committee, approved and endorsed by J. B. Maps, Principal Chief of the Cherokee Nation, and under the great seal of the Nation. This shows that on the date stated one Leroy S. Hughes was admitted to citizenship. Are you that Leroy S. Hughes? A I am the one.
(On 1896 roll, page 671, No. 875, Leroy S. Hughes, Flint district.)
Q Now your wife, Mr. Hughes, what is her name? A Ida.
Q How old is she? A She is 22 years old.
Q You apply for her as a Cherokee by blood or adoption? A A Cherokee by blood.
Q When were you married? A In 1899.
Q Have you got a certificate of marriage? A Yes, sir.
Q Mr. Hughes, this is a duly authenticated marriage license and accompanying certificate of marriage, showing that you were married to Miss Ida Miller, 22 years of age, on the 21st day of August, 1899. You claim for her by blood, and this is simply needed to identify her and is returned to you. Was your wife enrolled in 1880?
A Yes, sir.
Q What district was she in in 1880? A I can't tell you that, they might have enrolled her as May, they call her May at home.
(On 1880 roll, page 382, No. 942, Ida May Miller, Flint district.
On 1896 roll, page 684, No. 1234, Ida May Miller, Flint district.)
Q You and she are living together at this time? A Yes, sir.
Mr. Hughes, your admission to citizenship by the action of the proper authorities of the Cherokee Nation is duly established as indicated in the testimony, and your wife is found duly enrolled in 1880 and in 1896, and her personal identity established by the marriage license and certificate that you have shown, and both of you will be enrolled as Cherokees by blood.

Bruce O. Jones, being duly sworn, says that as stenographer to the Commission to the Five Civilized Tribes he reported the testimony of the above named witness, and that the foregoing is a full, true and correct translation of his stenographic notes.

Q You are a Cherokee by blood, are you? A Yes sir.
Q Do you know Leroy S. Hughes? A Yes sir.
Q Is he a man about 30, who lives at Stilwell? A I would judge him to be about 30 or 31.
Q Do you know his wife? A Yes, sir.
Q What is her name? A I don't know her name; I've heard it a dozen times but I am poor at remembering names.
Q Do you know what her father's name was? A Yes sir, her father's name was John Miller; and I know her mother's name as well as I know my own---
Q Was her mother's name Vina? A Vina, that's her name.
Q Is this woman we are talking about named Ida? A Ida, Yes sir.
Q How old is she now? A About 20 years old.
Q Do you think she would be as old as 25? A That is the eldest child; they were married in '78 and that is their first child; I guess it would make her about 25 years old.
Q Have you known Ida all her life? A Yes sir.
Q Has she ever lived out of the Cherokee Nation? A No sir.
Q Is she living here now? A Yes sir, living there near Stilwell.

Mabel F. Maxwell, being duly sworn, states that, as stenographer to the Commission to the Five Civilized Tribes, she correctly recorded the supplemental testimony in this case, and that the above and foregoing is a true and complete transcript of her stenographic notes thereof.

And the name of Felix A. being found upon the roll of 1894 and 1896, and being fully identified by page and number as a son of Marcus L. Tucker, he is ordered enrolled as a Cherokee by blood. And the name of Luther C. being found upon no roll, he having been born after the census of 1896 was compiled, being three years old at this time, he will be enrolled as a Cherokee by blood when proper certificates of birth are supplied to this Commission.

FOR ENROLLMENT AS

CHEROKEE CITIZENS.

A Original Testimony July 24

B Memo. of application " "

Department of the Interior,
Commission to the Five Civilized Tribes,
Stillwell, I.T., July 24, 1900.

In the matter of the application of Nancy Gritts for the enrollment of herself as a Cherokee by blood; being sworn and examined by Commissioner Breckenridge, through Simon R. Walkingstick, a duly sworn interpreter, she testified as follows:

Q What is your name? A ^{Nancy} Gritts.
Q How old are you? A About 65.
Q What is your post office? A Stillwell.
Q Your district? A Going Snake.
Q How long have you lived there? A I was born and raised there.
Q Lived there all your life? A Yes, sir.
Q For whom do you apply? A Just for myself.
Q Under what name were you enrolled in 1890? A Under the same name, Nancy Gritts. I was born 8 years after the Cherokees emigrated to this country in 1838.
(1062) (On 1896 roll, page 752, No. 938, Nancy Gritts, Going Snake dist.
On 1894 roll, page 762, No. 1100, Nancy Gritts, Tahlequah district.)
Q You say you were born in the Cherokee Nation? A Yes, sir.
Q And lived here all your life? A Yes, sir.
Q What proportion of Cherokee blood do you claim? A Full blood.
Q You are not able to speak the English language? A No, sir, I am not able to speak English.

Madam, you are duly identified on the roll of 1894 and the roll of 1896. You cannot be identified on the roll of 1890, though there seems to be reason to believe that your name may be one of several of similar character that appeared on that roll, but in view of the fact that you are evidently a full blood Cherokee, cannot speak the English language, and claim to have been born and lived all your life in the Cherokee Nation, you will be enrolled as a Cherokee by blood.

Bruce C. Jones, being duly sworn, says that as stenographer to the Commission to the Five Civilized Tribes he reported the testimony of the above named witness, and that the foregoing is a full, true and correct translation of his stenographic notes.

In the matter of the application of Asariah C. Collins for the enrollment of himself as a Cherokee by intermarriage and for the enrollment of his wife and children as Cherokees by blood; being duly sworn and examined by Commissioner Breckinridge, he testified as follows:

- Q What is your name? A Asariah C. Collins.
Q How old are you? 32.
Q What is your post office? A Stilwell.
Q Your district? A Goingsnake.
Q How long have you lived there? A Well, I haven't lived there in Goingsnake but about four months.
Q Where did you live before that? A Flint.
Q How long did you live there? A About two years.
Q How long have you lived in the Nation? A I have lived in the Nation about 15 years.
Q Right along for the last fifteen years? A I haven't lived outside of the Nation for 15 years.
Q For whom do you apply for enrollment? A Myself and family, I suppose.
Q Wife and children? A Yes, sir.
Q Do you apply for yourself as a Cherokee by blood? A No, not by blood.
Q Intermarriage? A Yes, sir.
Q Have you a license? A Yes, sir.
Q Mr. Collins, you have handed me here a duly executed marriage certificate issued by J. B. Lynch, Clerk of the Flint District, on the 9th of July, 1898, authorizing marriage between yourself and Mrs. Delanie Allison, and the certificate of the reverse of the license shows that you were duly married to that lady on the 22nd of July, 1898. Under the Cherokee law of 1895, you were married too late to acquire citizenship, and therefore your application for yourself will be refused.
Now as to your wife, what is her age? A 29 I believe.
Q Is she a Cherokee by blood? A She is.
Q What district did she live in in 1890? A Flint, I think, I can't tell you.
Q What was her father's name? A Rufe Allison.
(On 1890 roll, page 403, No. 18, D. A. Allison, Goingsnake Dist. On 1896 roll, page 558, No. 554, Delana Collins, Flint District.)

Q Give me the names of your children please? A Clarence A., 10 months old.
Q Have you a certificate of that child's birth? A Yes, sir, I have.
Q This is a duly authenticated certificate of the birth of your child Clarence A. on the 17th of September, 1899. Have you any other children? A No, sir, none.

Mr. Collins, your wife is duly identified on the roll of 1890, and likewise on the roll of 1896, and you are both living together and making your home at the time. Your child, Clarence A. Collins, is identified by a duly authenticated certificate of birth, and your wife will be enrolled as a Cherokee by blood, as will your child. Under the operation of the law of 1895 prohibiting rights by intermarriage after that date, your own application is declined.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Amanda Alberty as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That at Stilwell, Indian Territory, July 24, 1900, application was received by the Commission to the Five Civilized Tribes for the enrollment of Amanda Alberty as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, October 21, 1902.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Amanda Alberty, is a white woman, who claims her right to enrollment as a citizen by intermarriage of the Cherokee Nation, by virtue of her marriage in the year 1870 to one Andrew J. Alberty, who is alleged to have been a recognized citizen by blood of the Cherokee Nation at the time of said marriage, and who is identified upon the Cherokee authenticated tribal roll of 1880, Going Snake District, Page 403, No. 4, as a native Cherokee, and whose name is included on the approved partial roll of citizens by blood of the Cherokee Nation opposite No. 1662.

It is further shown that since said marriage, the said Andrew J. Alberty and Amanda Alberty resided together as husband and wife and continuously lived in the Cherokee Nation up to and including September 1, 1902.

It further appears from the records in the possession of this office that John Alberty, who is identified on the Cherokee authenticated tribal roll of 1880, Going Snake District, Page 403, No. 6, as a native Cherokee, and whose name is included on the approved partial roll of citizens by blood of the Cherokee Nation, opposite No. 22870, is the son of said Andrew J. Alberty and Amanda Alberty, the applicant herein, and that the said John Alberty was born in the year 1873. An examination of the Cherokee authenticated tribal roll of 1880 shows the said John Alberty to have been seven years of age at the date of the making of said roll.

The applicant herein is identified upon the Cherokee authenticated tribal roll of 1880 and the Cherokee census roll of 1896 as an intermarried citizen of the Cherokee Nation.

In view of the foregoing, it is considered that the applicant, Amanda Alberty, was married in accordance with Cherokee law, to a citizen by blood of the Cherokee Nation, prior to November 1, 1873.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird, et al., vs. the United States, Nos. 126, 126, 127 and 128, the said applicant, Amanda Alberty, is entitled under the provisions of Section 21 of the Act of Congress approved June 28, 1898 (30 Stat. 493), to enrollment as a citizen by intermarriage of the Cherokee Nation and her application for enrollment as such is accordingly granted.

Notice under date of March 1, 1904, of the information received as to the date of the death of the above named persons, was given by publication for four consecutive issues, the first issue being March 3, 1904, in "The Cherokee Advocate," a weekly newspaper of general circulation published at Tahlequah, Indian Territory. Attention was called to Section 21 of the Act of Congress approved July 1, 1902 (32 Stat., 716), and notice given to the heirs of the persons named, the administrators of their estates, or any other person having any interest in the estates of the decedents, that

The Commissioner would, at the expiration of sixty days from the date of the notice, recommend to the Secretary of the Interior the cancellation of the enrollment of said persons as citizens of the Cherokee Nation, unless conclusive evidence was presented to the effect that said persons were living on September 1, 1904. Each of the above named persons was shown to have been residing at the time of his death in the Recording District in which said paper is published, and notice of the Commissioner's proposed action was not, therefore, published in any other paper.

In addition to this notice a letter was on May 1, 1904, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1904, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

No information having been received that any one of the above named persons was living September 1, 1904, it is respectfully recommended that their names be stricken from the

The Honorable,

The Secretary of the Interior.

SIR:

I have the honor to transmit a report from the Commissioner to the Five Civilized Tribes, dated August 9, forwarding affidavits as to the deaths of certain persons whose names appear on a partial roll of citizens and freedmen of the Cherokee Nation. Commissioner Dixby refers to Departmental letters of May 31, (I.T.D. 6186-1903), June 1 (I.T.D. 8240-1903), October 4, (I.T.D. 12228-1903), and January 12, (I.T.D. 110-1904), relative to striking from the approved roll of citizens of the Cherokee Nation the names of 284 persons who are shown to have died prior to September 1, 1902.

Commissioner Dixby reports that the Department's instructions as to the proceedings to be taken with reference to these persons have been complied with, and no information having been received that any one of the persons enumerated in his report was living on September 1, 1904; he recommends that their names be stricken from the approved partial rolls of citizens and freedmen of the Cherokee Nation in the possession of the Department and this Office, and that he be authorized

(A)

to strike their name from the copies of the approved partial rolls in his possession, and that the application for their enrollment as citizens of the Cherokee Nation be dismissed.

The affidavits have been examined in this office, and are transmitted herewith, the office concurring in the Commissioner's recommendation.

Dear Madam:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1875, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine your right to enrollment as a citizen by intermarriage of the Cherokee Nation, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of your marriage and whether or not your husband, by reason of your marriage to whom you claim the right to enrollment as a citizen by intermarriage of the Cherokee Nation, was a recognized Cherokee citizen at the time of your marriage to him.

You are therefore directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock, A.M., on Thursday, January 3, 1907, and give testimony as above indicated.

Respectfully,

H. J. C.

Acting Commissioner.

SPECIAL.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 5, 1907 (Land 7538), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al. vs. the United States (203 U. S. 76), and state that in accordance with said decision you have recommended that the names of 1,143 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 26, 1907.

You now transmit the names of 193 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee laws prior to November 1, 1875, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 193 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

George W. Scott	22178	Joel Kelly	22466
George W. Elliott	22181	Jane Crittenden	22501

The Indian Office has been requested to take similar action upon the rolls retained by it, and you are authorized to cancel said names from the rolls in your possession.

-5-

Your attention is called to the fact that authority was granted on January 26, 1907, for the cancellation of the name of Thomas D. Chatham, opposite No. 22254, and of Adeline Ratling-
gourd, opposite No. 23260, which you now again recommend for cancellation. Apparent typographical errors in the roll numbers have been corrected in three instances.

You are instructed to prepare and transmit for departmental action new schedules, with a new series of numbers, containing the names of those persons who may be found to be entitled to enrollment.

Respectfully,

Thos., Ryan,

First Assistant Secretary.

The Commissioner says that all these persons are differently classified from those embraced in the decisions previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1875, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest or share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1838.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be stricken from the approved partial roll of Cherokee citizens retained in the Department and in this

Office, and that he be authorized to take similar action on the copies of the roll in the possession of his office.

In the opinion of the Office, this action will avoid confusion in the future, and it is recommended that this Office and the Commissioner be authorized to take the action suggested by him.

Very respectfully,

C. E. Larrabee,

Acting Commissioner.

Each of the above named persons was shown to have been residing at the time of his death in the Recording District in which said paper is published, and notice of the Commissioner's proposed action was not, therefore, published in any other paper.

In addition to this notice a letter was on May 1, 1900, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

Phebe A. Adair,
Stilwell, I. T.

Madam:

I have your letter of January 15th, and in reply will say that I find from an examination of the Supreme Court records in possession of the Commissioner to the Five Civilized Tribes that Phebe Morris was admitted as an intermarried citizen in 1871, but in order to straighten out your case you should come at once and identify yourself as being the Phebe Morris who was the wife of Drury M. Morris who was admitted at that time. Perhaps the reason you were rejected was because your marriage to your present husband did not date back before November 1, 1875, and you were rejected upon that record. You should come at once and not later than Monday and bring this letter with you and show it to the commissioner if I am not present.

Yours very truly,

W. W. Hastings
Attorney for the Cherokee Nation.

Muskogee, Indian Territory, February 19, 1907.

The Honorable,

Secretary of the Interior.

Sir:

January 10, 1907 the Commissioner to the Five Civilized Tribes rendered his decision denying, among others, the application for the enrollment of Phoebe A. Adair as a citizen by intermarriage of the Cherokee Nation.

Said decision was on January 26, 1907 (I.T.D.1392-1907), affirmed by the Department.

Further proceedings had in this case at Muskogee, Indian Territory, January 21, 1907 show the decision of the Commissioner in the case to be erroneous.

The records show that the applicant, Phoebe A. Adair, formerly Morris, a white woman, was married in the State of Georgia in the year 1866 to one Drury H. Morris, since deceased; that shortly after said marriage the said Drury H. Morris and Phoebe A. Morris removed to the Cherokee Nation and that Phoebe A. Morris was admitted to citizenship therein by the duly constituted authorities of said Nation, April 10, 1871 as a citizen by intermarriage of the Cherokee Nation. It is further shown that from the time of said admission until the death of said Drury H. Morris, which occurred in 1879, the said Drury H. Morris and Phoebe A. Morris resided together as

husband and wife and continuously lived in the Cherokee Nation. It is also shown that on April 19, 1885 the said Phoebe A. Morris was married to one Hugh M. Adair, who was at the time of said marriage a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee authenticated tribal roll of 1880, Flint District No. 868 as a native Cherokee, and whose name appears upon the approved partial roll of citizens by blood of the Cherokee Nation opposite No. 1913. It is further shown that from the time of said marriage the said Hugh M. Adair and Phoebe A. Adair resided together as husband and wife and continuously lived in the Cherokee Nation up to and including September 1, 1902. Said applicant is identified on the Cherokee authenticated tribal roll of 1880 and the Cherokee census roll of 1896 as an intermarried citizen of the Cherokee Nation.

In view of the decision of the Supreme Court, dated November 5, 1906, in the cases of Daniel Red Bird, et al. vs. the United States, Nos. 125, 126, 127 and 128, it is respectfully recommended that the Department rescind its said decision of January 26, 1907, so far as it relates to this applicant, and that the application for the enrollment of Phoebe A. Adair as a citizen by intermarriage of the Cherokee Nation be granted. The record of proceedings had in the case is inclosed.

There is transmitted herewith a schedule containing the name of Phoebe A. Adair, No. 196 and, in the event of the concurrence by the Department in the recommendation of the Commissioner herein, the approval of this schedule is respectfully recommended.

Respectfully,

*Original testimony July

Department of the Interior,

Stillwell, I.T., July 25, 1900.

In the matter of the application of James T. Miller for the enrollment of himself by intermarriage and his wife and five children by blood; being duly sworn and examined by Commissioner Breckenridge, he testified as follows:

- Q What is your name? A James T. Miller.
Q What is your age? A 35.
Q What is your post office? A Stillwell.
Q Your district? A Going Snake.
Q How long have you lived in Going Snake? A About 6 years.
Q Where did you live before that? A In Flint.
Q How long did you live there? A About 4 years.
Q How long have you lived in the Nation? A I came here in 1890.
Q For whom do you make application for enrollment? A Myself, wife and five children.
Q Do you apply for yourself and children by blood? A By adoption.
Q Your wife is a Cherokee by blood? A Yes, sir.
Q You acquired your rights you claim by intermarriage? A Yes, sir.
Q Have you got a marriage license and certificate? A Yes, sir.
Q Mr. Miller, you present here a duly authenticated marriage license showing that marriage was authorized on the 19th day of January, 1891, between yourself and Nancy Miller, nee Nancy Brown, and the endorsement shows that the said marriage was consummated by contract between the parties on the 21st day of January, 1891, in the presence of witnesses, and the contract is duly recorded in Flint district. This license and certificate you will leave with the Commission. This appears to be a marriage under Cherokee law in order to conform to the requirements of the Cherokee law? A Yes, sir.
Q Now Mr. Miller, can you show a certificate of admission of your wife to citizenship? A Yes, sir, that is it.
Q Mr. Miller, you had been married under United States law previous to your coming to the Nation, and it is observed that in the marriage license your then wife, Nancy Miller, is spoken of as nee Nancy Brown. Now you present a duly authenticated certificate of admission to Cherokee citizenship, signed by J. T. Adair, Chairman of the Committee on Citizenship, attested by Connell Rogers, Clerk of the Committee, and approved and endorsed by J. B. Mays, principal Chief of the Cherokee Nation, and under the great seal of the Nation, showing that on the 22nd day of September, 1888, among others, one Nancy Brown was admitted to citizenship. You were married between the date of September 22, 1888, when she was admitted to citizenship as Nancy Brown, and the date of January 21, 1891, when you were ~~remarried~~ remarried to her as Nancy Miller. A I was married to her under United States law between the time of the application and the time when the certificate of citizenship was granted.
Q And then the certificate was granted in the name used in the application? A Yes, sir.
Q Do I understand, Mr. Miller, that after that was all was satisfactorily adjusted when you were afterwards remarried according to the Cherokee law? A Yes, sir.
(On 1896 roll, page 335, No. 135, James Miller, Going Snake district. Nancy Miller on 1896 roll, page 771, No. 1472, Nancy Miller, Going Snake district. On 1894 roll, page 335, No. 1180, as Nancy Miller, Flint district.)
Q Now give please the names and ages of your children? A John Henry is the oldest, 11 years old.
(On 1896 roll, page 771, No. 1473, John H. Miller, Going Snake dist.)
Q Now your next child? A Joseph H., 8 years old.
(On 1896 roll, page 771, No. 1474, Joseph H. Miller, Going Snake district.)

James T. Miller - 2.

Q Your next child? A George J., 5 years old.
(On 1896 roll, page 771, No. 1475, George J. Miller, Going Snake district.)
Q Any more children? A Nancy Ann, age 3.
Q She is not on any roll? A Yes, sir, she is on the 1896 roll.
(On 1896 roll, page 771, No. 1475, Nancy A. Miller, Going Snake dist.)
Q Now your next child? A James Leonard.
Q You hand me here a certificate of the birth of James L. Miller on the 15th of February, 1898. Is that your next child? A Yes, sir.
Q Is that all that you want to apply for? A Yes, sir.
Q It is observed, Mr. Miller, that the signature of the midwife is lacking on this certificate. It will be necessary for you to get her signature properly authenticated as is that of your wife.

Now the admission of your wife to citizenship in 1896 is duly established as set forth in the record, and she is found duly of record on the rolls of 1894 and 1896; your marriage to her under Cherokee law is established as having taken place on January 21, 1891; your oldest child, John H., while born previous to your re-married, was born subsequent to your wife's admission to citizenship. Your wife and all of the children enumerated will be enrolled as Cherokees by blood, except for the present your youngest child, James L. You are desired to perfect the certificate of that child's birth as has been indicated to you and supply that to this Commission, then that child will be enrolled as a Cherokee by blood. You will be enrolled as a Cherokee by intermarriage.

File with Cherokee straight No. 604

Department of the Interior,
Commission to the Five Civilized Tribes,
Vinita, I.T., October 26, 1901.

In the matter of the application of Loduskey A. Brown
et al for enrollment as Cherokee citizens.

STATEMENT AND ORDER.

Commissioner Breckinridge: In Cherokee straight case No. 604, entitled Loduskey A. Brown, et al., it appears that the child Cornelius is spelled in the testimony in the manner just given; upon the roll of 1896 this child's name is spelled Cornetius and it was put down that way on the enrollment card. This is obviously a clerical error and the enrollment card and index will be corrected so as to conform to the usual and correct spelling of this name as given in the testimony.

A copy of this order will be filed with each copy of the testimony in this case.

M. D. Green, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

1. The first of these is the fact that the
 2. Government has not been able to
 3. maintain a consistent policy in
 4. the treatment of the Chinese
 5. population in the various
 6. provinces. In some cases, the
 7. Chinese have been treated as
 8. subjects, while in other cases
 9. they have been treated as
 10. citizens. This has led to
 11. a general feeling of
 12. discontent and
 13. a lack of confidence
 14. in the Government.

Gentlemen:- A short time ago Mrs Sarah Cloud, a Cherokee Indian Citizen, deserted her husband, James L. Cloud, who is also a Cherokee Indian.

These parties have four children, Tom, James S. W., Emma J. and John C. Cloud.

At the time Mrs Cloud left her husband, she took with her one of the children, John C. Cloud.

Mr Cloud has provided allotments for himself and his children, and he desires to file on the allotments himself for himself and children.

If Mrs Cloud tries to file on the allotments, Mr Cloud desires to protest against her doing so, as he himself wants to file on same.

Department of the Interior,

In the matter of the application of Isaac Batt for the enrollment of himself and children as Cherokees by blood; being sworn and examined by Commissioner Breckenridge, through Simon R. Walkingstick, a duly sworn interpreter, he testified as follows:

Q What is your name? A Isaac Batt.
Q How old are you? A About 32.
Q What is your post office? A Stillwell.
Q What is your district? A Flint district.
Q How long have you lived there? A I was born and raised in Flint district.
Q For whom do you apply for enrollment? A For myself and family, wife and children.
Q Do you apply for yourself as a Cherokee by blood? A Yes, sir.
Q What proportion of Cherokee blood do you claim? A I have got some white blood but not very much.
Q Do you apply for your wife as a Cherokee by blood? A She is a white woman.
Q Are you on any of the rolls of the Cherokee Nation? A Yes, sir. (On 1880 roll, page 351, No. 119, Ika Batt, Flint district. On 1896 roll, page 647, No. 215, Isaac Batt, Flint district.)
Q What is your wife's age? A 19, I think about that.
Q When were you married? A We were married in 1897.
Q That is too late to enroll your wife under the law of 1895. What children have you? A Mary Batt, age 2.
Q Have you got a certificate of that child's birth? A No, sir.
Q Have you got any more? A Eva Clyde Batt, about 7 months old.
Q Have you a certificate of that child's birth? A No, sir.
Q Have you got a certificate of marriage? A Yes, sir.
Q Let me see it. A (Witness produced paper.)
Q Mr. Batt, you present here a duly authenticated license to marry Miss Ava Smith, a citizen of the United States, dated September 29, 1897, and on the reverse side a certificate showing that you were duly united to her October 1, 1897. This will be filed with your case. Your wife's maiden name was Ava Smith, was it? A That really wasn't the right name but we were married under that name.
Q This is the woman spoken of here who is now your wife? A Yes, sir.
Q And this is the mother of those children whose names you have given? A Yes, sir.
Mr. Batt, you are duly identified on the roll of 1880, and also on the roll of 1896, and you will be enrolled as a Cherokee by blood. Your marriage is satisfactorily established by the evidence you present, and when you present a certificate of birth for each of the two children whose names you have given, properly executed, they will be enrolled as Cherokees by blood. As for your wife, you were married in 1897, after the law of 1895 prohibiting the acquirement of rights of citizenship by intermarriage, and hence the application for your wife is rejected.

Bruce G. Jones, being duly sworn, says that as stenographer to the Commission to the Five Civilized Tribes he reported the testimony of the above named witness, and that the foregoing is a full, true and correct translation of his stenographic notes.

Dear Sir:

Upon reviewing your case, Cherokee straight case No. 631, it appears that you and your wife may have been married in November 1896, instead of in 1896, as you testified. You did not apply for your wife; but if the above be true she may be entitled to enrollment. You are requested to appear before the Commission and make application for the enrollment of your wife, unless you know that the evidence to the effect that you and she were married in 1896 is incorrect.

It is shown by the enclosed papers that the above named person died prior to September 1, 1902. Section 31 of the Act of Congress approved July 1, 1902 (32 Stat. It is recommended, therefore, that opposite the name of Betsy Noisewater upon the final approved roll of citizens by blood of the Cherokee Nation, there be placed the notation -

SUBJECT:
Enrollment of Betty
Holmstrom, a Cherokee.

.....

The President,

The Secretary of the Interior,

Sir:

I have the honor to bring to the attention of the Department the case of Betty Holmstrom, a citizen of the Cherokee Nation, enrolled opposite No. 27116. No application to select an allotment of land having been made for Betty Holmstrom an investigation was begun to determine whether this person was living, and if not, the date of her death, and on November 12, 1900, the testimony of Gandy Adams was taken in which he stated that Betty Holmstrom died at the home of his mother on February 8, 1901, he being present at the time. He also testified that it was his custom to keep a record of the deaths of persons in his community and presented for inspection a book containing a list of such deaths in which there was found an entry that Betty Holmstrom died on February 8, 1901. He testified that he made this entry himself a day or two after her death, on the same day John Holmstrom, a brother of Betty Holmstrom, testified that his sister died on February 8, 1901.

No. 2.

and that he was satisfied that the record kept by Census Agent was correct.

On January 22, 1910, John Haiswater, the brother of Betsey Haiswater, deceased, was notified by registered mail of the information secured by this office as to the date of the death of his sister and of the provisions of Section 21 of the Act of Congress approved July 3, 1908, (35 Stat., 751) that no person whose name was on the Final Roll of Cherokee citizens and who died prior to September 1, 1908, was entitled to an allotment of land or other tribal property, and advised that he might within a stipulated time appear at this office and show cause why recommendation should not be made to the Department that a notation be placed on the roll showing that the said Betsey Haiswater was not entitled to participate in a division of the tribal property of the Cherokee Nation.

This notice was received as is evidenced by the return of the registry receipt properly signed but no appearance has been made.

The record in this case appears clearly to establish that Betsey Haiswater died prior to September 1, 1908, and I therefore recommend that the following notation be placed upon all copies of the approved rolls of citizens of the Cherokee Nation, to-

Muskogee, Oklahoma, January 28, 1919.

Mr. John Holmeyer,

Stillwell, Oklahoma.

Sir:

Evidence has been secured by this office showing that your sister, Betsey Holmeyer, whose name appears on the roll of Cherokee Citizens by blood opposite No. 27224, died on February 8, 1907.

The act of Congress of July 1, 1906 (34 Stat., 716), contains the following provision:

"That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of profiting by said concealment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds so arising from any allotment prohibited by this section, shall be deemed guilty of a felony, and shall be proceeded against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in addition thereto a forfeiture to the Cherokee Nation of the lands, other tribal property, and proceeds so obtained."

You are, therefore, notified that on or before
January 21, 1942, you may appear at this office, if you so
desire, to show cause why the Commission should not issue to
the Department of the Interior that the following person
should be given the right of naturalization on the ground
and of citizenship.

This is a matter of law, not fact.

The Department's instructions of June 1, 1905 (I.T.D. 1240-1203), and October 4, 1905 (I.T.D. 1240-1203), as to the proceedings to be taken with reference to these persons have been complied with. Notice under date of March 1, 1906, of the information received as to the date of the death of the above named persons, was given by publication for four consecutive issues, the first issue being March 3, 1906, in "The Cherokee Advocate," a weekly newspaper of general circulation published at Tahlequah, Indian Territory. Attention was called to Section 31 of the Act of Congress approved July 1, 1905 (34 Stat., 216), and notice given to the heirs of the persons named, the administrators of their estates, or any other persons having any interest in the estates of the deceased, that

The Commissioner would, at the expiration of thirty days from the date of the notice, recommend to the Secretary of the Interior the cancellation of the enrollment of said persons as citizens of the Cherokee Nation, unless conclusive evidence was presented to the effect that said persons were living on September 1, 1902. Each of the above named persons was shown to have been residing at the time of his death in the Reserving District in which said paper is published, and notice of the Commissioner's proposed action was not, therefore, published in any other paper.

In addition to this notice a letter was on May 1, 1902, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the deceased was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

Abstract—The purpose of this study was to determine the effect of a 10-week training program on the heart rate (HR) and energy expenditure (EE) of sedentary, middle-aged women. The subjects were 12 women, 40 to 50 years of age, who were sedentary and had no cardiovascular or pulmonary disease. The subjects were randomly assigned to a 10-week training program or a control group. The training program consisted of three sessions per week of 30 minutes of moderate-intensity aerobic exercise. The control group consisted of 12 women who did not exercise. The HR and EE were measured at rest and during exercise at the beginning and end of the 10-week training program. The HR and EE were significantly higher in the training group than in the control group at the end of the 10-week training program. The HR and EE were significantly higher in the training group than in the control group during exercise at the end of the 10-week training program. The HR and EE were significantly higher in the training group than in the control group during exercise at the end of the 10-week training program. The HR and EE were significantly higher in the training group than in the control group during exercise at the end of the 10-week training program.

WASHINGTON,

2021

August 23, 1904.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit a report from the Commissioner to the Five Civilized Tribes, dated August 9, forwarding affidavits as to the deaths of certain persons whose names appear on a partial roll of citizens and freedmen of the Cherokee Nation. Commissioner Nixby refers to Departmental letters of May 11, (I.T.D. 6155-1903), June 1 (I.T.D. 6509-1903), October 4, (I.T.D. 12225-1903), and January 12, (I.T.D. 110-1904), relative to striking from the approved roll of citizens of the Cherokee Nation the names of 286 persons who are shown to have died prior to September 1, 1902.

Commissioner Nixby reports that the Department's instructions as to the proceedings to be taken with reference to those persons have been complied with, and no information having been received that any one of the persons enumerated in his report was living on September 1, 1904, he recommends that their names be stricken from the approved partial rolls of citizens and freedmen of the Cherokee Nation in the possession of the Department and this Office, and that he be authorized

to strike their names from the office of the Sheriff's Office
while in his possession, and that the application for their
enrollment as citizens of the Sheriff's Office be denied.

The affidavits have been examined in this office, and are
transmitted herewith, the office occurring in the Commission's
recommendation.

Very respectfully,

V. E. Lewis

August 23, 1906.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit a report from the Commissioner to the Five Civilized Tribes, dated August 9, forwarding affidavits as to the deaths of certain persons whose names appear on a partial roll of citizens and freedmen of the Cherokee Nation. Commissioner Bixby refers to Departmental letters of May 31, (I.T.D. 6186-1905), June 1, (I.T.D. 6249-1905), October 4, (I.T.D. 12228-1905), and January 13, (I.T.D. 110-1906) relative to striking from the approved roll of citizens of the Cherokee Nation the names of 286 persons who are shown to have died prior to September 1, 1905.

Commissioner Bixby reports that the Department's instructions as to the proceedings to be taken with reference to these persons, have been complied with, and no information having been received that any one of the persons enumerated in his report was living on September 1, 1905, he recommends that their names be stricken from the approved partial rolls of citizens and freedmen of the Cherokee Nation in the possession of the Department and this Office, and that he be authorized

(2)

to strike their names from the copies of the approved partial rolls in his possession, and that the application for their enrollment as citizens of the Cherokee Nation be dismissed.

The affidavits have been examined in this Office, and are transmitted herewith, the Office concurring in the Commissioner's recommendation.

Very respectfully,

F. E. Loupp,

Commissioner.

Muskogee, Oklahoma, June 18, 1910.

Minister of
Nellie Ross,
Cherokee.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of Nellie Ross, a citizen by blood of the Cherokee Nation whose name appears on the final roll of citizens of said Nation opposite No. 1847.

No application to select an allotment of land for this person having been made, an investigation was begun to determine whether she was living, and if not, the date of her death. The evidence secured as a result of this investigation appears to show conclusively that Nellie Ross died during the year 1901. Her parents being dead and no husband or children surviving, proper notice was given to Nellie Ross, sister and only heir, of her right to appear before this office and show cause why a notation should not be placed upon the Cherokee roll under the name of Nellie Ross, showing that by reason of the date of her death she was not entitled to an allotment.

No response having been received to these notices, I have the honor to recommend that the following notation be placed on

Her. 6-2

the final roll of names by blood of the Cherokee Nation at
No. 1647, except the name of Felix Ross.

added prior to September 1, 1908.
Not entitled to land or money."

The record in the case including evidence of service of
notice of the proposed action of the roll is inclosed herewith.

Respectfully,

Commissioner

Muskogee, Oklahoma, May 4, 1903.

To Nellie Ross:

Evidence has been secured by this office showing that Nellie Ross, whose name appears on the roll of Cherokee citizens, published No. 1647, died in the year 1902.

The Act of Congress of July 1, 1902 (32 Stat., 744), contains the following provision:

"That no allotment of land or other tribal property shall be made to any person or to the heirs of any person whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of profiting by said allotment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds arising from any allotment prohibited by this act, shall be deemed guilty of a felony, and shall be proceeded against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in addition thereto a forfeiture to the Cherokee Nation of the lands, other tribal property, and proceeds so obtained."

You are, therefore, notified that within thirty days from date of service of this notice you may appear at this office, if you so desire, to show cause why recommendation should not be made to the Department of the Interior that the following notation be placed opposite the name of Nellie Ross on the approved roll of Cherokee citizens:

"Died prior to September 1, 1902;
not entitled to land or money."

SPECIAL.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 2, 1907 (Land 7530), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al. vs. the United States (201 U. S. 76), and state that in accordance with said decision you have recommended that the names of 1,143 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 26, 1907.

You now transmit the names of 198 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee Law prior to November 1, 1875, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 193 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

The Indian Office has been requested to take similar action upon the rolls retained by it, and you are authorized to cancel said names from the rolls in your possession.

Your attention is called to the fact that authority was granted on January 20, 1907, for the cancellation of the name of Thomas B. Clanton, opposite No. 22254, and of Adeline Ketting-
guard, opposite No. 22255, which you now again recommend for
cancellation. Apparent typographical errors in the roll numbers
have been corrected in three instances.

You are instructed to prepare and transmit for departmental
action new schedules, with a new series of numbers, containing
the names of those persons who may be found to be entitled to
enrollment.

The Commissioner says that all these persons are differently classified from those considered in the decisions previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1855, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest or share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1838.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a right to share from all other Cherokee citizens, and in order to ascertain and carry out the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be attached to the approved partial roll of Cherokee citizens retained in the Department and in this

Office, and that he be authorized to take similar action on the
copies of the roll in the possession of his office.

In the opinion of the Office, this action will avoid con-
fusion in the future, and it is recommended that this Office and
the General be authorized to take the action suggested by him.

Very respectfully,

G. F. Lawrence,

Acting Secretary.

Q What is your full name? A Nancy Owl.
Q What is your age? A 60 years old.

Q What name did you have at that time? A It was just Owl in 1880.
Q Did you ever have the name of Cochran? A Yes, sir.
Q Were you married to Cochran or married to Owl, or how was it?
A I first lived with this man Cochran.
Q Are you on the roll of 1894, when the strip money was paid?
A Yes, sir.
Q What name did you get your money under? A Nancy Owl is the way we generally put it down.

Q How long have you lived in this section? A I have been raised here and don't know any other place.
Q Do you know this applicant, who calls herself Nancy Owl?
A Yes, sir.
Q She gives her age as 60, do you take her to be old? A I don't know her age, but I know it is all guess work with her. She is a brother to old Squirrel Adair; her husband is dead.

Q How long did his widow live after his death before she married again? A I don't know that she ever married.
Q She was married didn't you say to Adair? A She was married to old man Cochran.
Q Now this Nancy Adair that appears on the roll of 1880, fifty years of age at that time, have you any reason to believe that is this woman? A I am satisfied that is the woman.

(On 1894 roll, page 574, No. 1374, Charles Owl, Flint district. On

roll, page 887, No. 1800, Charlie Owl, Flint district.)

Q. Now, I have recalled, testified:

Q. Is he recognized in the neighborhood as a child of her blood?

A. Yes, sir.

Q. Has he always lived there as her child? A. Yes, sir.

Q. Is the child apparently a full blood Cherokee? A. He looks to be a full blood to me.

Q. Does he speak English? A. I don't know whether he does or not.

Q. You have talked Cherokee to him? A. Yes, sir.

Q. The old woman doesn't speak English at all? A. No, sir, I don't think she does.

Nancy Owl, recalled, testified:

Q. How do you want that child enrolled? A. Charlie Owl will do.

Now, you are duly identified on the roll of 1880 and also on the rolls of 1894 and 1898, and you will be enrolled as a Cherokee by blood. Your child, Charles Tehee or Charlie Owl, is identified on the roll of 1894 and 1898 as Charlie Owl, and he is identified also by personal testimony as your child known by your name, and as being a full blood, and he will be enrolled as a Cherokee by blood.

Sir:

The Department, in considering the cases of persons whose names have been stricken from the approved rolls of Cherokee citizens in the light of the principles announced by the Supreme Court in its decision in the case of John E. Goldsby (211 U. S. 249), has decided that the case of your husband, Joseph E. Cloud, whose name was stricken from the approved roll on March 4, 1907, is not analogous to the Goldsby case, and that, consequently, no action looking to the restoration of said name to the approved rolls of citizens of the Cherokee Nation will be taken.

A copy of Department letter of September 9, 1909, with reference to this matter is enclosed herewith.

Enrollment case of
Charles F. Burgess, et al.

AWG - 9-1909.

The Honorable

The Secretary of the Interior.

Sir:

Referring to Departmental letter of February 26, 1909, (D. 6433), there is transmitted herewith a report of March 13, 1909, from the Acting Commissioner to the Five Civilized Tribes, relative to the Cherokee enrollment cases of Charles F. Burgess, et al.

It appears that the Department approved schedules of citizens of the Cherokee Nation by blood containing the names of Charles F. Burgess, No. 20707; Joseph H. Oland, No. 22614; Angelina Duffield, No. 14390; James Harrell, No. 10197; and Mary E. Howard, No. 4668, and also approved a schedule of Cherokee freedmen containing the name of Jeff Ballard opposite No. 3708 thereon.

Afterwards it was ascertained by the Commissioner to the Five Civilized Tribes, from evidence submitted by relatives of the above named persons, and in some cases from testimony taken, that these persons died prior to September 3, 1906. In view of the provisions of section 26 of the Act of July 1, 1902 (32 Stat. L. 716), the Department on March 4, 1907, cancelled their names from the approved rolls.

The Acting Commissioner reports that no notice given to the applicants or their representatives relative to the adverse action of the Commissioner or of the Department. It appears,

however, from the record in the case of Jeff Ballard that a hearing was had at which his mother appeared and testified as to the date of his death. In the other cases affidavits of relatives were taken as to the death of the applicants. It seems, therefore, as if an opportunity to present evidence as to the death of the applicants was afforded the parties in interest.

Inasmuch as under the provisions of section 31 of the above mentioned Act persons who died prior to September 1, 1902, are not entitled to allotment of land or other tribal property, even if their names appear on the approved roll, the Office is of the opinion that these cases are not analogous to that of John E. Goldsby, decided by the Supreme Court of the United States on November 30, 1906 (211 U. S. 249), and recommends that the Department take no action looking to the restoration of these applicants to the status of enrolled citizens or freedmen of the Cherokee Nation.

The record in these cases is inclosed for your further information.

The Office will submit, by letters on even date, separate reports in the other cases mentioned in the letter of the Acting Commissioner to the Five Civilized Tribes.

Very respectfully,

JH

Muskogee, Indian Territory.

Gentlemen:

In reply to your letter of October 4, you are advised that the names of David, Fannie, Thomas, Samuel, Mary, John, Arthur and Sequoyah Bigby appear upon the 1883 Cherokee "Pay Roll by Right of Cherokee Blood", Coing Snake district, opposite Nos. 176 to 183, inclusive.

You are further advised that the records of this office show that on July 26, 1900, David T. Bigby made application for the enrollment of, among others, himself and son, Henry C. Bigby; that the age of said Henry C. Bigby was given at that time as seventeen years, and that the names of David T. and Henry C. Bigby appear upon a schedule of citizens by blood of the Cherokee Nation, approved by the Secretary of the Interior, opposite Nos. 27116 and 27119, respectively.

What you say with reference to Oil and Gas and Mining Leases executed by Henry C. Bigby and filed with the United States

Indian Agent and the contention that the first Lease was executed before the lessor had attained his majority, has been noted.

Respectfully,

SIGNED

James Bixby

SPECIAL

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 8, 1907 (Land 7538), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al. vs. the United States (203 U. S., 76), and state that in accordance with said decision you have recommended that the names of 1,143 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 23, 1907.

You now transmit the names of 192 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee laws prior to November 1, 1898, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 195 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

The Commissioner says that all these persons are differently classified from those embraced in the decisions previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1875, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest or share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1838.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be stricken from the approved partial roll of Cherokee citizens retained in the Department and in this

order, and that he is authorized to take such action as may be required in the exercise of his office.

In the opinion of the Chief, this action will avoid confusion in the future, and it is recommended that said Chief and the Commissioner be authorized to take the action suggested by him.

Very respectfully,

(Signed) G. F. Larrabee,

175-27.

Acting Commissioner.

THE RECORDS FURTHER SHOW: That said persons possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875. The name of no one of said persons is identified on the Cherokee authenticated roll of 1880.

IT IS THEREFORE ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird et al. vs. the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section 21, of the Act of Congress approved June 28, 1898 (30 Stats., 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

Mrs. J. W. Blackwood,
Silem Springs, Arkansas.

Dear Madam:

This office is in receipt of your letter of January 22, 1907, stating that the Postmaster at Silem Springs, Arkansas, refuses to deliver to you a registered letter from this office addressed to your deceased husband, John W. Blackwood.

You are advised that the Postmaster has been this day instructed to deliver said letter to you.

You are further advised, in connection with the application of your husband, John W. Blackwood, for enrollment as a citizen by intermarriage of the Cherokee Nation, that the Supreme Court of the United States by its decision of November 8, 1906, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1878, are entitled to enrollment as citizens

by intermarriage of the Cherokee Nation. If you claim that your husband is entitled to enrollment under the Court's decision, you should appear before the Commissioner at Muskogee, Indian Territory, at once, and submit testimony as to his marriage to his Cherokee wife, by reason of his marriage to whom he claims the right to enrollment as a citizen by intermarriage of the Cherokee Nation, and as to the date of his marriage to her.

The Act of Congress approved April 26, 1906 provides that the Secretary of the Interior shall have no jurisdiction to approve the enrollment of any person as a citizen of the Cherokee Nation after March 3, 1907, and this matter therefore demands immediate attention.

Respectfully,

My full name is John Henry Nesser. I of course sign my name J. H. Nesser. I think the Commission asked me at Stilwell what was my full first name, though I can not be positive as to this. I would of course prefer my name to be listed as it was given in at Stilwell. My wife spells her name Jenette. I hope this mistake will not keep little Paul Virgil from being enrolled. The reason why I am in New Mexico is because of my health. I am here only for a few months. I expect soon to return to the Cherokee Nation. I was married Dec 4, 1884, by a Rev. Lewis Kelly. I have tried every way to find his P. O. in order to get a marriage certificate. So far I have failed. My finances are such that I am unable to pay the expenses of parties from Grove to appear before you at Muskogee. You refuse to take affidavits. So I guess I will be unable to convince you that my wife is entitled to enrollment.

Yours Most Respectfully,

DEPARTMENT OF THE INTERIOR
COMMISSION TO THE FIVE CIVILIZED TRIBES Cherokee No. 666

ADDRESS ONLY THE
COMMISSION TO THE FIVE CIVILIZED TRIBES.

Muskogee, Indian Territory. September 29th. 1902.

Jenette Messer,

Stilwell, Indian Territory.

Dear Madam:

The Act of Congress, approved July 1, 1902, and entitled
"An Act To provide for the allotment of the lands of the
Cherokee Nation, for the disposition of town sites therein,
and for other purposes," (Public No. 241), provides that "the
roll of citizens of the Cherokee Nation shall be made as of
September first, nineteen-hundred and two."

In accordance with said provision, you are hereby noti-
fied that the Commission to the Five Civilized Tribes will be
at its offices at Muskogee, Indian Territory, until Friday,
October 31, 1902, inclusive, for the purpose of affording you
an opportunity to show that you have not, between the date of
the original application for your enrollment and Sept 2, 1902,
forfeited your right as a citizen by intermarriage of the
Cherokee Nation.

This evidence should be introduced immediately, as it is
necessary in determining your right to share in the allotment
of the lands of the Cherokee Nation, and until the same is
furnished no further action can be taken looking toward your
final enrollment as an intermarried citizen.

Yours truly,

Acting Chairman.

Cherokee 440

Muskogee, Indian Territory, December 4, 1902.

Janette Messer,

In care of John H. Messer,

Carriliss, New Mexico.

Dear Madam:-

On September 29, 1902, there was mailed you a notice requiring you to appear before the Commission at its offices at Muskogee, Indian Territory, for the purpose of giving additional testimony relative to your right, on September 1, 1902, to enrollment as a citizen by intermarriage of the Cherokee Nation.

This testimony has not yet been introduced, and you are now advised that, until same is presented, your application for enrollment will not be complete.

Respectfully,

Acting Chairman.

Cherokee 666

Mustagee, Indian Territory, December 18, 1902.

Dear Sir:

The Commission is in receipt of your letter of December 9, stating that your wife cannot at this time appear before the Commission and testify relative to her right to enrollment, on September 1, 1902, as a citizen by intermarriage of the Cherokee Nation.

In reply you are advised that, until such testimony is given, the application for her enrollment will not be complete.

Respectfully,

Acting Chairman.

William Shell,

Baron, Indian Territory.

Dear Sir:-

When you applied to this Commission for the enrollment of yourself and family as citizens of the Cherokee Nation, you gave your surname as Shell, while in the affidavit which you sent as to the birth of your child, Elmer Clyde Shell, it is noticed that your surname appears therein as Schell. The affidavit is herewith returned to you, and you are requested to have same corrected so that the surname of yourself and wife will appear therein as it appears upon the Commission's records, Shell.

Yours truly,

Acting Chairman.

Muskogee, Indian Territory, May 19, 1903.

The Honorable,

The Secretary of the Interior.

Sir:

Referring to schedule number 23 of citizens by blood of the Cherokee Nation heretofore forwarded to the Department, the Commission has the honor to report that the name of number 23642, appearing thereon as Elma Clyde Shell, is incorrect, and also that this child has been erroneously classed as a female. Testimony taken before the Commission on May 18, 1903, shows that this child is a male and that its name is Elmer Clyde Shell.

The Commission, therefore, respectfully recommends that the copies of this schedule retained by the Department and in the office of the Commissioner of Indian Affairs, be corrected so that number 23642 will appear thereon as Elmer Clyde Shell instead of Elma Clyde Shell, and also so that this applicant will appear thereon as a male, that opposite his name in the column marked "Sex" the letter "M" should appear instead of the letter "F", and

that the Commission be directed to make similar changes
upon the copies of the schedule returned to it.

Respectfully,

Chairman.

Muskogee, Indian Territory, December 23, 1906.

Solon R. Roberts,

Dutch Mills, Arkansas.

Dear Sir:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1885, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine your right to enrollment as a citizen by intermarriage of the Cherokee Nation, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of your marriage and whether or not your wife, by reason of your marriage to whom you claim the right to enrollment as a citizen of the Cherokee Nation, was a recognized citizen of the Cherokee Nation at the time of your marriage to her, and whether or not you were married to her in accordance with Cherokee laws.

You are therefore directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Thursday, January 3, 1907, and give testimony as above indicated.

Respectfully,

H. J. C.

Acting Commissioner.

The Commissioner says that all these persons are differently classified from those embraced in the decisions previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1873, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest or share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1833.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be stricken from the approved partial roll of Cherokee citizens retained in the Department and in this

Office, and that he be authorized to take similar action on the copies of the roll in the possession of his office.

In the opinion of the Office this action will avoid confusion in the future, and it is recommended that this Office and the Commissioner be authorized to take the action suggested by him.

Very respectfully,

(Signed) C. F. Larrabee,

Acting Commissioner.

Commissioner to the State Land Office,
Washington, D.C.

Sir:

On February 2, 1903 (last week), the Indian Office advised your report dated January 24, 1903, in the matter of certain parcels of land which are situated in the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of United States v. 1800, et al. (1800 U. S., 1800), and state that in accordance with said decision you have recommended that the sum of \$1,000,000,000, by reason of the decision, should be credited to the United States of America.

Your recommendation with regard to these parcels was approved by the Department on January 24, 1903.

You are requested to cause the sum of \$1,000,000,000 to be credited to certain rights in the Cherokee Nation by reason of the decision which has been made with reference to the Cherokee Nation in accordance with the decision of the United States Supreme Court in the case of United States v. 1800, et al. (1800 U. S., 1800), and also by reason of the decision of the United States Supreme Court in the case of United States v. 1800, et al. (1800 U. S., 1800).

Apparent clerical error in the roll numbers have been corrected in these instances.

You are instructed to prepare and transmit departmental action now indicated, with a new series of numbers, containing the names of those persons who may be found to be entitled to enrollment.

Respectfully,

DEPARTMENT OF THE INTERIOR
COMMISSIONER TO THE FIVE CIVILIZED TRIBES

In the matter of the application of Margaret J. Emerson for enrollment as a citizen by intermarriage of the Cherokee Nation.

DECISION

THE RECORDS OF THIS OFFICE SHOW: That at Claremore, Indian Territory, October 24, 1900, application was received by the Commission to the Five Civilized Tribes for the enrollment of Margaret J. Emerson as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Claremore, Indian Territory, October 31, 1900 and Muskogee, Indian Territory, March 7, 1902.

THE RECORDS OF THIS OFFICE FURTHER SHOW: That on March 23, 1905, the Commission to the Five Civilized Tribes denied the application for the enrollment of G. W. Emerson, husband of this applicant, as a citizen by blood of the Cherokee Nation, for the reason that said applicant had removed from the Cherokee Nation to the State of California, where he continued to reside, up to and including September 1, 1902. Said action of March 23, 1905 was duly approved by the Department on August 10, 1905 (I.T.D. 3568, 8844-1905); that on February 26, 1906, the Commissioner to the Five Civilized Tribes denied the application for the enrollment of Sarah E. Reel, formerly Emerson, and Georgia Emerson, as citizens by blood of the Cherokee Nation, for the same reason as the said G. W. Emerson was denied, which action was duly approved by the Department, January 17, 1907 (I.T.D. 618-1907).

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Margaret J. Emerson, is a white woman and claims her right to enrollment as a citizen by intermarriage of the Cherokee Nation by reason of her marriage to the above named G.W. Emerson; that in 1895 the said Margaret J. Emerson, G. W. Emerson and their two children, the said Sarah E. Emerson, now Reel, and Georgia Emerson, removed to the State of California where they have since continuously resided and have not returned to and settled in good faith in the Cherokee Nation or Indian Territory.

A portion of section 2, of Article 1 of the Constitution of the Cherokee Nation, provides as follows:

"... that, whenever any citizen shall remove with his effects out of the limits of this Nation, and becomes a citizen of any other government, all his rights and privileges as a citizen of this Nation shall cease; "

Paragraph 9 of Section 21, of the Act of Congress approved June 28, 1898 (30 Stats., 495), in part, provides:

"No person shall be enrolled who has not heretofore removed to and in good faith settled in the Nation in which he claims citizenship... ."

IT IS THEREFORE ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 8, 1906, in the cases of Daniel Red Bird, et al., vs. the United States, Nos. 185, 186, 187 and 188, the said applicant, Margaret J. Emerson, is not entitled under the provisions of section 21 of the Act of Congress approved June 26, 1896 (30 Stat. 496) to enrollment as a citizen by intermarriage of the Cherokee Nation, and her application for enrollment as such is accordingly denied.

Department of the Interior,
Commission to the Five Civilized Tribes,
Stillwell, I.T., July 26, 1900.

In the matter of the application of William Johnson for the enrollment of himself as a Cherokee by blood; being sworn and examined by Commissioner Breckenridge, through Simon R. Walkingstick, a duly sworn interpreter, he testified as follows:

- Q What is your name? A William Johnson.
Q What is your age? A 22.
Q What is your post office? A Stillwell.
Q What is your district? A Flint district.
Q How long have you lived in Flint district? A I have lived all my life in Flint.
Q For whom do you apply for enrollment? A Just for myself.
Q Were you ever known by any other name than William Johnson?
A No, sir.
Q What was your father's name? A Sam Johnson.
Q Have you ever lived outside of the Flint district? A No, sir.

Thomas White, sworn and examined by Commissioner Breckenridge, through Simon R. Walkingstick, interpreter, testified as follows:

- Q What is your name? A Tom White.
Q What is your post office? A Stillwell.
Q How long have you lived in the Nation? A Since 1838.
Q Do you know this applicant, William Johnson? A Yes, sir, I know him.
Q What is his father's name, was it White Johnson? A That might have been his English name.
Q What was his mother's name? A Susan.
Q Did you know all of his brothers and sisters by their English name? A Yes, sir, I think so, I don't them but I don't know their English names.
Q Did he have a brother named John? A Yes, sir, and one was White.
Q Was White a brother or the father? A Brother.
Q Did he have a sister named Jane? A Yes, sir.
Q Did he have one named Annie? A I don't know about that one.
Q Do you know that this man was the son of that Susan Johnson?
A Yes, sir, I know that.
Q Were his father and mother full blood Cherokees? A I can say as to his mother that she was a full blood, but I can't say as to his father whether he was a full blood or not.
Q Did his father seem to have much white blood in him? A He looked like a full blood.

The family of the applicant is identified on the roll of 1880, his father and mother and sisters and brothers, but he was either too young to be on the roll, or was left off for some cause.
(On 1880 roll, page 877, No. 1048, William Johnson, Flint dist. On 1884 roll, page 232, No. 1011, William Johnson, Flint district.)

Your name is duly identified on the roll of 1884 and also on the roll of 1886. You are not identified on the roll of 1880, but it is shown by the testimony your name may have been by neglect, or possibly from your youth, left off, for while you give your age now as 22, yet you have also stated that your brother John who is on the roll of 1880 is older, and he is put down on that roll as 2 years of age, and that would make him 24 years of age at this time, and you perhaps are two or three years younger. It is evident from the personal testimony and the record as shown in the testimony that you are a Cherokee by blood, and you will be enrolled as such.

(Thomas White, being duly sworn, and examined by Commissioner Breckenridge through Simon R. Walkingstick, interpreter, testified as follows:

Q What is your name? A Tom White.
Q What is your age? A 72.
Q What is your post office? A Stillwell.
Q Where do you live? A In Flint district.

Q Has that been as much as 11 or 12 years ago? A I think about 10 years ago, something in that neighborhood.

Commissioner Breckenridge: Owing perhaps to the confusion of names, neither this applicant nor his present wife nor his former wife can be identified on the roll of 1880, but the applicant and his present wife are identified on the rolls of 1894 and 1896, his former wife died before either of the present rolls were made out, but all three of them are shown by personal testimony to be regarded by the Cherokees as Cherokees of full blood. Two of the children of the present marriage, Ball and Joe, are identified on the roll of 1896. The youngest child, Choweyuk, will have to be identified by a certificate of birth. The child by the former marriage is identified on the rolls of 1894 and 1896, and further, by personal testimony, and shown to be a full blood Cherokee. All of them will now be enrolled as Cherokees by blood, except, of course the first wife, who is dead, and except the youngest child, who will be so enrolled when this Commission is supplied with a duly authenticated certificate of its birth.

Bruce G. Jones, being duly sworn, says that as stenographer to the Commission to the Five Civilized Tribes he reported the testimony of the above named witnesses, and that the foregoing is a full, true and correct translation of his stenographic notes.

Q Now think well; don't you really believe it would be the best thing for you to do that?

A Don't know.

Q You never did see your land?

A No.

Q For your information I will state this: The land has been leased for oil and gas purposes by your brothers and sisters, who thought you were dead, and they made the lease as your heirs, and I understand this lease has been sent to Washington for the approval of the Secretary of the Interior, and it might be more valuable than your land in Texas, and don't you think you ought to go and see this land and make inquiry about what it is worth before you attempt to sell it?

A No answer.

Q Well, it has been reported, and your brothers and sisters have proceeded in the courts on the theory that you are dead, now you are not dead are you?

A No, I am not.

Q You are very much alive, are you not?

A I am.

No answer.

Q Well do you know what your Cherokee name is?

A No.

Q Can't you speak Cherokee any at all? If you can do that and let the lady there write it down, then, there will absolutely no question whether or not you are Ball Coon. I believe you can if you try; speak your Cherokee name?

WITNESS EXHIBIT

A. GLASSOCK, being first duly sworn by W. J. Purves, Notary Public,
within and for Mustangs County, upon oath, deposes and testifies:

MR. SORRILL:

Q What is your name?

A A. Glassock.

Q Where is your home, Mr. Glassock?

A My home at present is in Dallas, Texas. I own a ranch at Elmore City.

Q Do you know the man that just testified; what is his name?

A Ball Coon.

Q How long have you known Ball Coon?

A Nine years last July.

Q Do you know the other witness?

A Yes, he is my brother, Gus Glassock.

Q Where does he live?

A At Elmore.

Q What is his business.

A Ranchman.

Q Are you acquainted with Mr. Lynch?

A Yes.

Q When did you see him first?

A Well, I was coming out to Oklahoma and was talking to my father and some others close to the bank and said that I was going out to Oklahoma and go out in the oil fields and look around. Ball Coon was standing close by and he called to me and said: "I wish you would go and see my property while you are up there, it is close to a gasoline well". We laughed because he said "close to a gasoline well"; but when I found he was in earnest about it I told him alright, and asked him who would I see and he replied, "Go see Mr. Wilson, the Indian Agent"; he said the land was his mother's; that she made a will to him before she died; that she had died about a month before he left home and that he had not straightened the business up before he left; I think he had sold his father's land before he left; he said the land was leased to a big fat man and that he got a check for \$9.00 for renting it; that he cashed the check in a store there.

Q Your acquaintance with Mr. Lynch, then, comes out of the request of Ball Coon that you see about his property in Oklahoma?

A Yes. He offered to pay me for doing this for him; but I told him I did not want anything and would not take it.

Q Where did you first see Ball Coon?

A The first time I ever saw Ball Coon was at Lyons Station. I was with Miller's Wild West Show. I had charge of the Indians in the show - some bronco busters, etc.; he said something about going with the show.

Q Did this man who claims to be Ball Coon leave Lyons Station with some other Indians?

A Yes.

Q Do you know who they were?

A Yes, every one of them. John Ridge, John Batt, and Annie Pritchett, and Ball Coon.

Q Where did your show go after leaving Lyons Station?

A I have forgotten. We went to different places, you know. I have forgotten now just where we did go after leaving Lyons Station.

Q How long did Ball Coon stay with that show?

A All that year. He was with different shows since then.

Q This is the same man that left Lyons Station in Adair County, and you have known him continuously for nine years?

A Yes; and for five years he has been making his home out with my father. He likes my father awful well, and he bought some land out by him, for which he agreed to give six bales of cotton and some money; I think the full price of the land was \$1800.00; I don't know how much the cotton was worth, - the price fluctuated so.

- Q Does Ball Coon own this land in his own name?
- A Yes, in his own name.
- Q Has he a title to it?
- A Yes; it was known as the Carrol Ranch.
- Q From whom did he buy this land?
- A From Dicon Dereach.
- Q Is it in cultivation?
- A Yes, a part of it, 15 or 17 acres; maybe 20 acres, I don't know exactly. Some good land on it.
- Q Has he any cattle?
- A Yes, he has some cattle and some horses. I don't know how many; but I do know that his horses are not Shetland, they are Mexican. He calls them Shetland because they are spotted.
- Q Have you been acquainted with his business capacity in the past? How does he transact his business; does he have someone handle it for him?
- A He handles it himself. He sometimes asks us what we would do in his place, and we always advise with him; but he does all his business himself.
- Q Does he show himself to be a man of some business capacity?
- A Yes; he has the best crop in that country, so I have been told.
- Q Is he a good worker?
- A He is. There is no better worker.
- Q Do you know whether or not he was ever in any trouble?
- A No, not that I know of. While we were with the show, - you know how some Indians are, they, - well some the Indians with the show drank a great deal of whiskey, but Ball never got drunk but once and he and John Batt got into a fight, and another fellow and my brother separated them; didn't amount to anything at all. He has never drunk since that I know of. He has been in shows since and I never heard of him drinking; if he did, I never heard of it. He says he lives with my father; he lives in a house by my father. The house is to be moved onto his place, but have never had time to move it yet.
- Q The house he lives in is to be moved over on his land?
- A Yes.
- Q Do you know of any reason why Ball Coon does not want to go back to Adair County?
- A No, I don't know of any reason, only he says his folks are - were- not good to him; that they did not treat him right. He never told me anything else.

he never told me that much until the other day; I have asked him several times but he never would say.

Q The first you ever heard of Ball Coon's allotment in the Cherokee Country was through him?

A Yes, through him. He told me lots of times that some day before they declared him dead he would come back and see about it.

Q Did he say how long it would be?

A Yes, and he said ten years.

----- WITNESS EXHIBIT -----

Ball Coon was recalled and testified as follows:

MR. JENCH:

Q Were you in the Army?

A No; but I registered.

Q You say you registered?

A Yes, but never did go. Never called me.

Q Where did you register?

A Johnson City, Blaine County, Texas.

Q Under what name did you register? What did you tell them your name was when you registered for military service?

A Ball Coon.

Q Is that correct?

A Yes.

Q Did they examine you for military service? Did the Dr. examine you?

A Never did call me.

Q How old did you tell them you were, Ball?

A When?

Q When you registered, how old did you tell the Local Board you were?

A 20.

MR. GOODALL:

Q Did you register the first time?

A No the second time.

MR. LYNCH:

Q Do you remember the man's name, - the name of the Chairman of the Board?

A Yes, Sam Johnson.

Mr. Lynch: - I believe that is all.

----- WITNESS KNOWN -----

Sam Glascock, being first duly sworn by W. J. Farver, Notary Public within and for Muskogee County, upon oath, testified as follows:

MR. GOODALL:

What is your name?

A Sam Glascock.

Q What business is Ball Ocom in?

A Farming; he has got some stock.

Q How long has he been living where he is now?

Q During that time has he been a man of business affairs; does he attend to his own business?

A Yes.

Q As well as ordinary farm business?

A Yes.

Q Has he accumulated land - farm property?

A Yes.

Q What did he do before he bought this farm?

A He was working on the farm on the halves for a while; sometimes as day laborer; mostly, though, share crops.

Q Was he paid by the month?

A Some of the time he was; but only for a short time I think, then he made share crops with my father; he also worked for other people on account of it being a dry year, not much crops, you know; he worked a while for a man named Smith.

Q Did he do both farm and ranch work?

A No. He always had money in his pockets; whenever he wanted anything he always seemed to have the money with him to pay for it.

MR. GOODALL:

Q Do you know how long he stayed with the show after he left Stillwell?

A No, I do not. He was with the show a good long while, though; something like a year I am satisfied; but I was not with the show then. I had quit the show. He stayed with it after I quit. I went to Chicago.

A I had trouble with my eldest brother.

Q Next Good?

A Yes.

Q Now tell everything before Mr. Parker so he will understand, - so we will

all know just why you went away? Now, what was the trouble?

A No.

Q He was mean to you?

A Yes.

Q What did he do to you that you did not like?

A Yes.

MR. LORCH:

Q Did you and Joe have any trouble?

A No.

Q Would you let the whole business go before you would go over there?

A Yes.

Q Less it all; would you be willing to do that?

A Yes.

MR. PARKER:

Why don't you want to go over there?

A I have got to tend to my crops.

Q It would not take you over two days?

A I got my crops down there and I have to tend to them.

Q Would you go if Mr. Glascock went with you? Would you go with him to Stilwell, if he will go?

A Yes, I will go with him.

A I think about eight years.

Q What relation is he to you? What kin?

VERDICT RENDERED.

Statement by Mr. Joe M. Lynch:

My name is Joe M. Lynch and I live at Stilwell, Oklahoma; I am at present United States Probate Attorney; I have lived at Stilwell about twenty years; prior to 1909, I believe it was, I knew Ball Coon personally; he was a son of John Coon and Darkie Coon; Ball Coon left his home, which was some five or six miles West of the town of Stilwell, and his whereabouts have been unknown until recently; on this date Ball Coon has appeared in person before Honorable Gabe E. Parker, Superintendent for the Five Civilized Tribes, and I recognize him as the Ball Coon who lived near Stilwell, who is the son of John and Darkie Coon, and the boy who disappeared from his home some eight or ten years ago; I know of my own knowledge that it is the Ball Coon who was supposed to be dead and for whom an administrator was appointed in Washington County, Oklahoma, and that he is the Ball Coon mentioned in the County of Adair, Oklahoma, wherein his brothers and sisters attempted to sell the land allotted to the said Ball Coon on the theory that Ball Coon was deceased; and I am convinced beyond a doubt that the Ball Coon who on this date makes his appearance before the Superintendent for the Five Civilized Tribes is the identical Ball Coon who is enrolled opposite Cherokee roll No. 1944, and that he has appeared in his own proper person and is now living.

I, Lola M. Rambo, stenographer, upon oath state that the above and foregoing is a full, true and correct transcript of my stenographic notes taken on July 22, 1920, in re identity of Ball Coon, Cherokee roll No. 1966.

Q Do you know that these two children are living at this time?

A I know they were living a short time ago, about a month ago, I
think, the last I heard of them.

Q What relation are they to your wife? A They are her neices,
her sister's children.

Q What is the name of the father of these two children?

A Joe Rider

Q Is he living? A Was the last I heard of him.

A That's about right.

Q When was she married to the father of these children?

A I could not tell about the marriage business. I don't know when
she was married. I know they were living together until the chil-
dren were born, and then this man he just deserted her, and she
came home to her grandfather, and died with her grandfather.

Q How long has she been dead?

A She has been dead some time, when Lilah was just a little bit of
a thing, I suppose. She must have been dead some eleven or twelve
years. Eleven years anyhow.

Q Was she a full blood Cherokee Indian? A Nearly a full blood.

Q She had always been recognized as a citizen? A Yes sir.

Q These children have always lived in the Cherokee Nation?

A Never lived anywhere else, only right there in Tahlequah and
Goingsnake District.

A Yes sir, I think she was.

Q What are the names of her parents? A Claiborne and Sallie Manus.

A Goingsnake.

Q Did Joe Rider's parents have any children in 1880?

A He has got a sister, Jennie Rider, she is a little younger than Joe.

Q Was Joe Rider living with Elsie Wolf when the 1880 roll was made?

A I think so. His mother had died, and the old man got him another wife, and these two children were living with Elsie Wolfe about that time.

Q Has Joe Rider any family at this time? A Yes sir.

Q What is the name of his present wife? A I don't know. I can't tell who his last wife is at the present time.

1880 authenticated roll of citizens of the Cherokee Nation examined for Joe Rider, and name not found.

1896 census roll of citizens of the Cherokee Nation examined, and applicants identified as follows:

Page 1227, #2606, Sallie Rider, Tahlequah District, age 9.

Page 1227, #2607, Lilah Rider, Tahlequah District, age 6.

Note: Children of Sarah Manus.

Q What is the present name of the grandmother of these children?

Q She married a white man by the name of Long. I don't know whether she is divorced from him or not. They have been separated, though. I see she has been registered as Sallie Manus.

Q Her post office is Welling? A Yes sir.

Q And these children are living with her now, are they? A Yes sir.

Sallie Rider and Dalilah Rider will be listed for enrollment upon straight card.

But there is no

evidence that the mother, Mallie T. Tila was a

Cherokee or that they were married.

It appears that he has had two wives

namely, Jennie Neetha of whom we identified

on 1880 roll. There seems to have been

a child by the name of Eli. This may have been

in truth however for Tila. This case appears

to be badly mixed.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit a report from the Commissioner to the Five Civilized Tribes, dated August 9, forwarding affidavits as to the deaths of certain persons whose names appear on a partial roll of citizens and freedmen of the Cherokee Nation. Commissioner Bixby refers to Departmental letters of May 31, (I.T.D. 6186-1906) June 1, (I.T.D. 6300-1906), October 4, (I.T.D. 12220-1906), and January 12, (I.T.D. 116-1906) relative to striking from the approved roll of citizens of the Cherokee Nation the names of 286 persons who are shown to have died prior to September 1, 1902.

Commissioner Bixby reports that the Department's instructions as to the proceedings to be taken with reference to these persons, have been complied with, and no information having been received that any one of the persons enumerated in his report was living on September 1, 1902, he recommends that their names be stricken from the approved partial rolls of citizens and freedmen of the Cherokee Nation in the possession of the Department and this Office, and that he be authorized

Demaris Goss,

Stilwell, Indian Territory.

Dear Madam:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1875, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine your right to enrollment as a citizen by intermarriage of the Cherokee Nation, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of your marriage and whether or not your husband, by reason of your marriage to whom you claim the right to enrollment as a citizen by intermarriage of the Cherokee Nation, was a recognized Cherokee citizen at the time of your marriage to him.

You are therefore directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Thursday, January 3, 1907, and give testimony as above indicated.

Respectfully,

H.J.C.

Acting Commissioner.

SPECIAL

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 8, 1907 (Land 7838), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al. vs. the United States (203 U. S., 76), and state that in accordance with said decision you have recommended that the names of 1,145 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 26, 1907.

You now transmit the names of 193 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee law prior to December 1, 1843, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 193 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

Your attention is called to the fact that authority was granted on January 25, 1907, for the cancellation of the name of Thomas B. Chatham, opposite No. 12284, and of Adeline Kallingsford, opposite No. 12285, which you now again recommend for cancellation. Apparent typographical errors in the roll numbers have been corrected in three instances.

You are instructed to prepare and transmit for departmental notice new schedules, with a new series of numbers, containing the names of those persons who may be found to be entitled to enrollment.

The Commissioner says that all these persons are differently classified from those embraced in the decisions previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1875, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest or share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1835.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be stricken from the approved partial roll of Cherokee citizens retained in the Department and in this

-7-

Office, and that he be authorized to take similar action on the copies of the roll in the possession of his office.

In the opinion of the Office this action will avoid confusion in the future, and it is recommended that this Office and the Commissioner be authorized to take the action suggested by him.

Very respectfully,

(Signed) G. F. Larrabee,

Acting Commissioner.
